**DOG LICENSE APPLICATION**

Even though state law has required licenses for dogs since 1972, the General Assembly of 2006 and 2007 has brought changes to our licensing process. The Virginia State Tax Code §3.1-796.87:1 requires veterinarians to notify the treasurer of the locality when a rabies vaccine is given. If an individual does not apply for a dog license within 90 days of having their animal vaccinated, they will be billed for the license in the locality in which they reside. Please complete the following information and **SUBMIT A COPY OF THE RABIES CERTIFICATE** with check or money order payable to Treasurer of Charlotte County.
